Asset Protection for Cryptocurrency

Total: **60 Minutes**

Speakers:
Blake Harris

Description/Table of Contents

Asset Protection is in high demand in our increasingly litigious world. Cryptocurrency is well regarded as the currency of the future. Cryptocurrent is increasingly becoming a targeted asset in many lawsuits. Blockchain technology can make it easy to see the amount of cryptocurrency an individual owns. This course will teach the various strategies for protecting cryptocurrency from being lost due to a lawsuit.

Topics include:

- Understanding asset protection: purpose and methods (20 min.)
- Asset protection: case studies (10 min.)
- Cryptocurrency as a protectible asset (15 min.)
- Cryptocurrency in estate planning (15 min.)

Total: 60 minutes

Presenter: Blake Harris

Blake Harris is the managing attorney at Blake Harris Law, where he assists clients with wills and trusts, asset protection, and probate. Blake's extensive experience helping families plan for and manage the transfer of their assets has made him well regarded as an authority in handling the difficult and sensitive issues surrounding estate planning, asset protection, and probate.

Before Blake Harris Law, Blake worked for one of the nation's largest wealth management firms, where he helped high-net-worth and ultra-high-net-worth clients plan for the transfer of

their assets. Over the course of his career, Blake has worked for, co-counseled with, and learned from several of the nation's top estate planning and asset protection attorneys.

In Colorado and across the nation, Blake has given numerous presentations and continuing

education lectures on asset protection, estate planning, and probate to CPAs, financial advisors, and other attorneys. Blake has also been quoted in state-wide and national publications, such as ABC, NBC, CBS, Fox News, The Denver Post, and Market Watch, and he has been named a "Rising Star" for 2020, 2021, and 2022 by Super Lawyers Magazine.

Blake graduated in 2007 with a degree in finance from the University of Florida and received a juris doctorate in 2010 from the University of Florida Levin College of Law, a top-tier law school.

Blake has been a member in good standing of the Colorado Bar since 2013 and the Florida Bar since 2010. Blake is also the founder of the Blockchain Investment Council and an active member of Wealth Counsel, Elder Counsel, the Florida Bar, the Denver Bar Association, and the Colorado Bar Association.
