LexVid Services, Inc., Presents:

Being an Ethical Lawyer on the Internet

Course Description, Table of Contents, Timed Agenda

Total: **65 Minutes**

Speakers:

Christina Lynn

Description

As an attorney, your presence on the internet presents a number of ethical complications. Violating your local rules can lead not only to sanctions, but to malpractice claims in civil suits. In this program, attorney Christina Lynn will dive into the ethics rules and how they are implicated with your interactions with people on the internet. Topics include

I. Ethics and your use of social media (20 min.)
II. Advertising & disclaimers (15 min.)
III. Furnishing legal advice online (15 min.)
IV. Social media & research/discovery (10 min.)
V. Summary (5 min.)

Total: 65 minutes
