Speakers:

Eric Hanscom, Ryan Alexeev, Neil Thompson, Ian McDaniel & Evan Dwin

Description/Table of Contents

Attorneys counseling startup businesses encounter a myriad of legal issues spanning several practice areas. In this program, four attorneys specializing in different areas are interviewed about the most common issues that arise when counseling a startup client. The topics covered span everything from business entity formation, intellectual property strategies, and human relations law, to planning for business succession and recruiting talent from outside the U.S. Topics include:

I. Estate Planning & Immigration Issues with Ryan Alexeev (10 min)
II. Intellectual Property Issues with Neil Thompson (20 min)
III. Business Formation with Ian McDaniel (10 min)
IV. Labor & Employment Issues with Evan Dwin (20 min)

Total: 60 minutes
