LexVid Services, Inc., Presents:

Recovering Economic Damage to Credit Reports, Credit Scores, and Credit Reputation

Total: **40 Minutes**

Speaker: George Findr

Credit reputation damage is a type of economic damage that occurs often in civil litigation and family law cases. Although it has been recognized by the courts since 1912, many litigators are unsure where to find it and how to prove it. In this program, credit damage expert Georg Finder will walk you through the nuts & bolts of credit damage. Topics covered include:

- Foundational Documents Needed to Prove Damages (10 min.)
- Navigating the Credit Report (10 min.)
- Investigating the Damage (10 min.)
- Choosing the Right Expert (10 min.)

Total: 40 minutes
