LexVid Services, Inc., Presents:

Anti-Kick and The False Claim Statutes in the Healthcare Setting and Manufacturing Industry

Total: **43 Minutes**

Speakers:
Renee Mallett

Description/Table of Contents

The Anti-Kickback, Stark and False Claims Acts are intended to ensure that medical / healthcare providers' judgments are not compromised by improper financial incentives / inducements and are instead based on the best interests of their patients. This program will give viewers an overview of these acts. Among the topics discussed are:

- The basic prohibition of each law (i.e., the Federal Anti-Kickback Statute and the Stark Law)
- (8 min.)
- The most common Anti-Kickback Statute Safe Harbors (5 min.)
- A basic analytical framework for analyzing potential issues under the Anti-Kickback law and how to apply it in simple scenarios (5 min.)
- False Claims Act overview (10 min .)
- Case Law and Settlements, what can we Learn? (10 min.)
- DOJ Corporate Compliance Program, why a program is important to mitigate damage? (5 min.)

Total: 43 minutes

Meet the Lecturer – Renee Mallett

Renee is both a nurse and attorney. She received her Bachelor of Science in nursing from Ohio University and her Law Degree and Master of Science in nursing from Capital University. Renee has worked for two hospital systems and led their patient safety, risk management and quality improvement initiatives. She spent over seven years at Abbott Nutrition in the Medical Safety and Surveillance Department, where she led implementation of the US FDA and European Union Medical Device Regulations. Renee presently works for Cardinal Health in the Ethics and Compliance Department where she serves as a subject matter expert on various laws and regulations and company ethical standards, including but not limited to: Federal and State Anti-Kick Back Statutes, False Claims Act, Foreign Corrupt Practices Act, Federal and State Transparency Laws, the Health Insurance Portability and Accountability Act ("HIPAA") and Business Conduct.
