Ethics and Data Security

Total: **56 Minutes**

Speakers:
Cari Sheehan

Description/Table of Contents

Ever wonder why ethics and data security go hand-in-hand? Join us as we explore Model Rule 1.6 regarding attorney confidentiality and how attorneys must make reasonable efforts to prevent the disclosure of confidential client information. The comments to Rule 1.6, include language that requires attorneys to act with competence to safeguard confidential client information and use reasonable efforts to prevent the disclosure and transmission of such information. However, what does "reasonable efforts" really mean? Is it the same for each attorney? Each law firm? Let's explore the inner workings of these questions in this seminar together.

All topics below concern ethics under The Model Rules of Professional Conduct. Topics include:

- **Ethics** - Explore Rule 1.6 regarding confidentiality (10 min.)
- **Ethics** - Explore what it means to use "reasonable efforts" to keep conflict confidential information safeguarded (10 min.)
- **Ethics** - Explore common examples and scenarios to avoid
- (18 min.)
- **Ethics** - Explore how to prevent breaches occurring in your practice (18 min.)
