LexVid Services, Inc., Presents:

Introduction to Medical-Legal Review

Total: **70 Minutes**

Speakers: Susan Ramsey

It is common for a legal case to present a myriad of complex medical issues to the attorneys handling it. In this unique CLE program, litigator and former Registered Nurse Susan Ramsey demystifies these issues. In addition to covering the basic concepts and terminology that all practitioners should be familiar with, Ms. Ramsey gives and overview of Medical Malpractice in the United States and provides a number of helpful tips on evaluating medical issues in your practice.

1. Basic Terminology (15 min.)
2. Medical Malpractice (20 min.)
3. Medical Resources for Attorneys (10)
4. Deciphering Medial Records (15 min.)
5. Medical Chronology (10 min.)
